A/S - Latin America

AOL - Embassy, U.S. Embassy
attach
attach against an embassy
in Latin America

A/S - overthrow
junta

S4 1/2 - Action initiated by smaller (indigeni?) military groups, upon the
direction of a related political figure.

AOL - Penuria (?) embassy allies

[EVENT]

Third World
urban-rural

[TARGET(S)]

S.

S4 1/2 - not an "insurrection", more of an attempt to overthrow.

Machivardian

S4 1/2 - almost like the indigenous people (civilians)
 do not support/endorse any particular power group - like this happens
 /is planned totally without ~~any~~ concern for support from the people.

interest groups
 narrow interest
 selfish
 status quo

A/S - reminds me of
 Wall Street -
 corporate takeover
 action/attempt.

S4 1/2 - * Small military group leader is altruistic, has the best interests of his country/people in mind; he is not aware that he and his men are "tools" of a "higher up". His troops do not abuse "native" peoples.

[EVENT]

[LOCATION]

S4 1/2 - objective is not simply to attack, but to capture and hold

push out defenders

surprise

AOL - Beirut bombing of Marines/embassy.

S4 1/2 - The military group normally operate/move amongst the hills/mountains. This time the "target" is in an urban area nearby (city). Leader of group does not "go in" during attack - watches from a distance.

[STOP TIME]

Capture

capture

S4 1/2 - "capture" as something symbolic/representative/strategic

announcement

AOL - US attack on LIBYA

S4 1/2 - like "attack" stopped at last minute, almost like small group betrayed (~~As Do~~), but not quite.

Somebody (other group) watches their movement - finds them and attacks - preemptive.

AOL - Diemberphu

AOL - air attack against their positions in the hills

AOL - Israeli attacks.

complex
outside help
~~the~~ political

S4 1/2 - a small military group only necessary pawns - the people, the country are meaningless to the controllers "chess players."
