Dear 

Thank you for your letter of November 8, 1989, which I received today.

I appreciate the good work that you did for the Coast Guard in Hawaii. I am confident that agencies in Texas could use someone of your ability who could assist in time of need.

I suggest that you call on Senator Lloyd Bentsen's office in Texas to let them know of your specialties.

Thank you for your support of the assistance you have given.

Aloha,

DAVID M. PETERS
Executive Assistant
