STAR GATE
LIMDIS

sketch 3g

overhead view

outline of steep terrain when it meets water

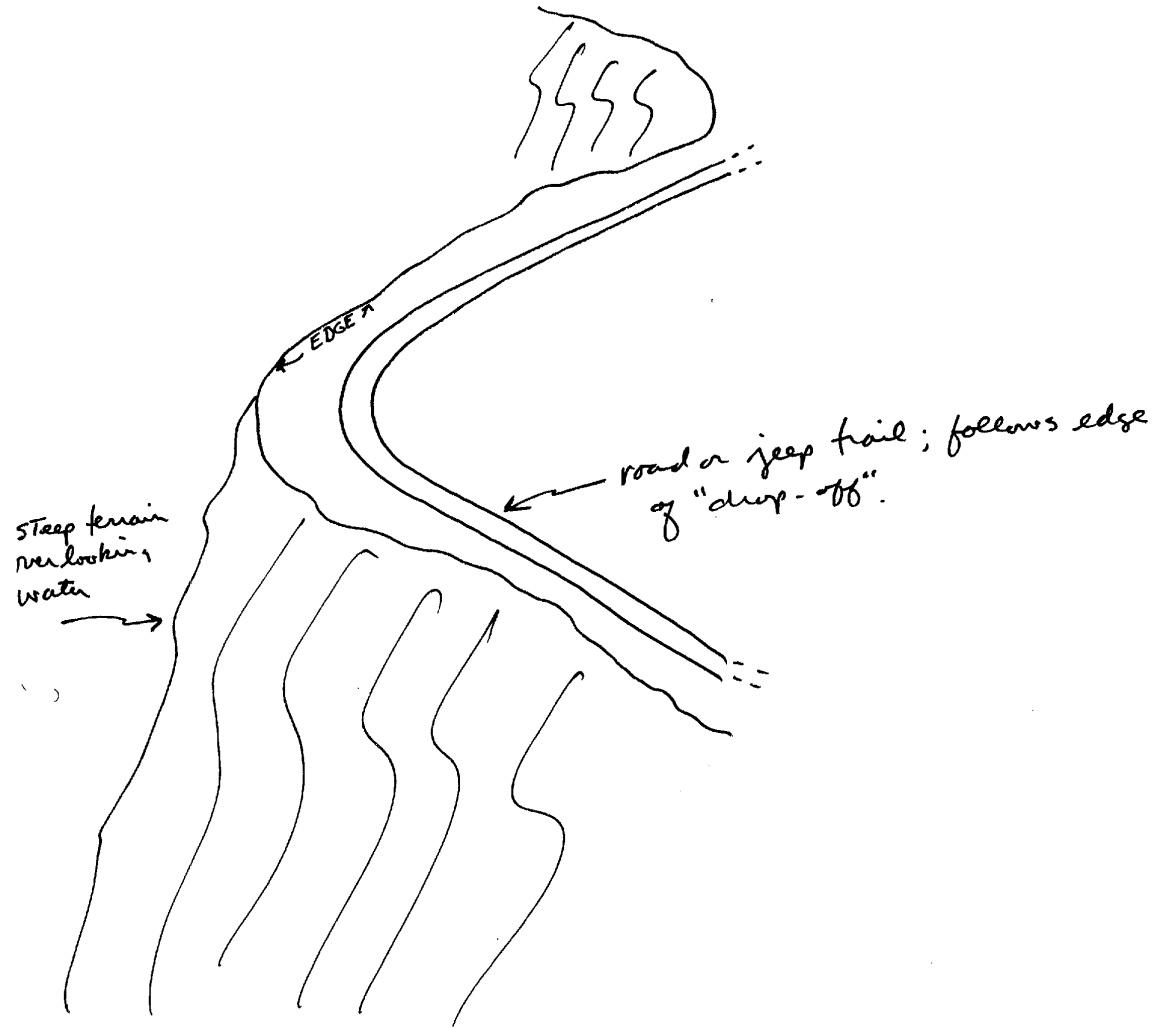

* long, gently rising sand or land; bare; juts out into water for a long way.

* This feature is within view of target at its current location

STAR GATE
LIMDIS~~

sketch 3e

over head view

- * seems abnormally narrow; extremely pointed bow w/ "standing" area feature extending out from bow
- * not associated w/ fish; either comm or ports; combination of both.

sketch 3c

~~SECRET~~

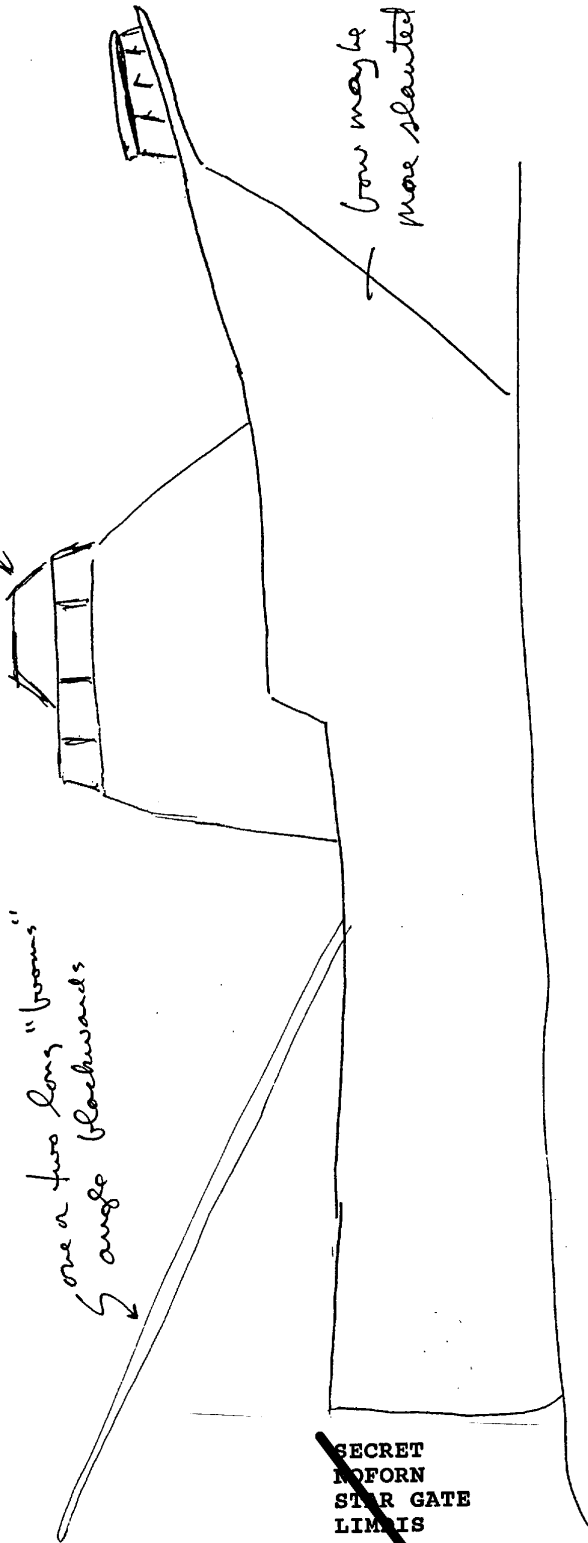

- Side view -

Aluminum
panels of glass or plastic

one or two long "beams"
at angle backwards

low maybe
more slanted

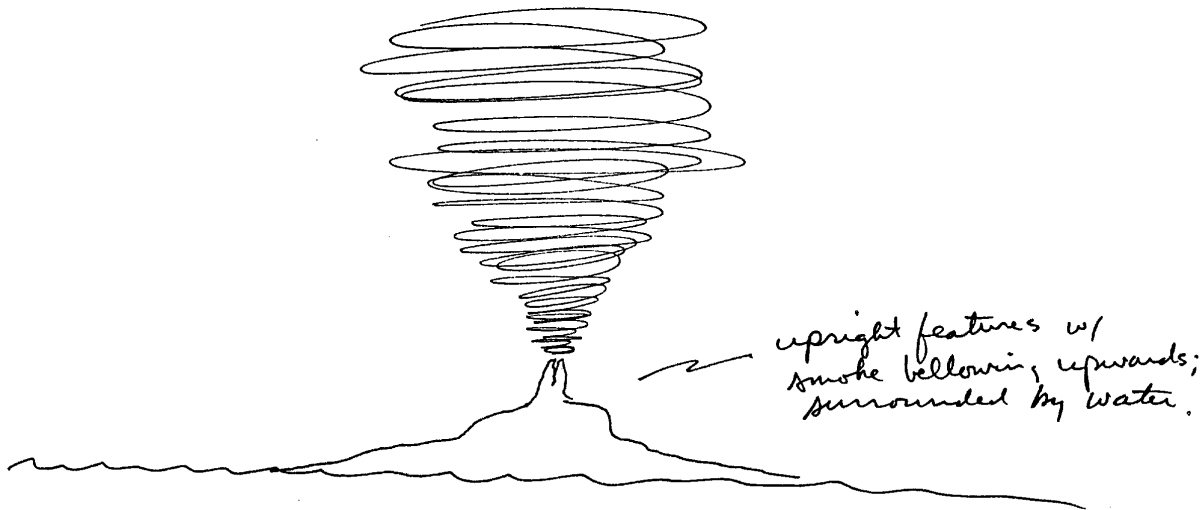

- seems more narrow than normal (width wise)
