E. INFORMATION:

Activity consists of a man on a small vessel. This vessel is in shallow waters near land. It seems as though the man waits for a larger vessel to come in. I could see the man taking something off the smaller vessel and putting it on land. Overall, the activity is drug related and occurs at night.

Coordinates 16 degrees north and 78 degrees west surfaced.

As far the significance of [redacted] as stated in the tasking, it probably relates to a type of boat in this scenario as
