E. INFORMATION:

Activity consists of a drug vessel that is currently very active. The vessel is traveling in an eastern direction and is carrying contraband in the form of drugs. The vessel may recently have undergone structural repairs or may have this done in the near future. The vessel is considered medium to small in size and there are three or four individuals that are involved with the vessel at all time. One may be a female. The vessel may have been in the Caribbean at one time.
