V:  079
S:  01
```

SUMMARY OF INFORMATION

Individual was outside in an area with mountains and water. Even though the individual was working, pleasure was surrounding him or her. New ideas or innovations possibly involving flight was involved. The individual is known to have high intelligence and to be at the start of something new that could help others in communications and possibly health.

There is some type of dividing or sharing or breaking down some type of system or systems.

Individual could be female because I saw a young woman steering or driving a car.

— "Silicon" surfaced as a word
