structure

supported  
(water nearby - access)

anticipation  
edginess  
person  
anxiety / troubled

4 1/2 - person feels unfairly/unjust treatment - seeks  
vindication

4 1/2 - sense of temporality - transience - temp here -  
preparing to go - outsiders - coming to fetch -  
Water - born vessels involved -

4 1/2 - present let's structure  
white  
solid  
surrounded  
orange  
old  
weathered  
secluded

A04/5  
seems once abandoned

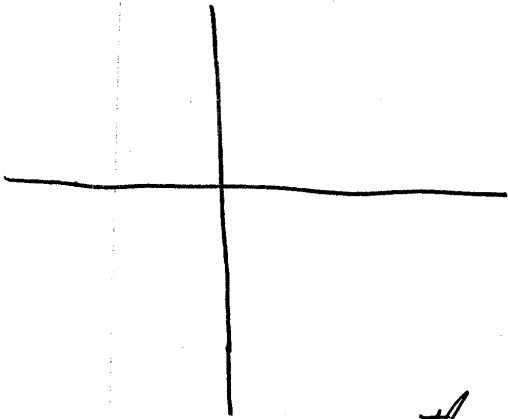

4 1/2 - old church feel (not necessarily now - monastery/  
missions sort of place)

feels reasonably secure - spt base - people with  
him because of loyalty - not for higher goals -  
presence - secure momentarily - because not  
with knowledge of place

4<sup>1</sup>/<sub>2</sub> - walls surrounding - forest mould - animal sounds -  
 sticky, thick, brushy ----- plant aromas --- open up  
 to left --- to open water.

AT BK  
 peaceful, restful, secure

--- sense of lctn here is small built-up - nearby  
 is larger built up - like village

the general plan --- is  
 looking for someone to come and  
 pick him up.... he's waiting mode  
 ----- feel that he plans to initially  
 leave this location by boat.
