1. Reference your GRILL FLAME Information Paper, dated 26 September 1980, subject: Contract Proposal Review.
2. The purpose of this correspondence is to offer my thanks for your professional counterintelligence support to Project GRILL FLAME. The most recent display of your outstanding professional competence was your swift response to our request for an evaluation of an unsolicited contract proposal. This proposal dealt with an area closely associated with Project GRILL FLAME. It was obvious to me that you worked extra hours beyond your normal duty day in order to meet the short suspense date given you. Your paper was provided to Major General Thompson which resulted in a decision not to spend thousands of dollars to fund a project which you pointed out could be accomplished more economically using our own assets.
3. Please accept the appreciation of MG Thompson and myself for a job well done.
