RELEASE: NONE (XX)

TEXT: EXTRACT.

PROFESSOR WU PINGBO OF THE INSTITUTE OF TRADITIONAL CHINESE MEDICINE SAID TRADITIONAL CHINESE MEDICINE HAS ITS SPECIAL THEORETICAL SYSTEM AND METHODS FOR TREATMENT. THE TREATMENT OF OVER 3,000 A.I.D.S. PATIENTS IN AFRICA DONE BY WU AND HIS COLLEAGUES HAS PROVED TO BE VERY EFFECTIVE. THE LIVES OF THE PATIENTS WERE PROLONGED AND THEIR SYMPTOMS ALLEVIATED. ACCORDING TO THE THEORY OF TRADITIONAL CHINESE MEDICINE, A.I.D.S. IS CAUSED BY HIV INFECTION, WHICH CAN LEAD TO A DEFICIENCY OF QI (VITAL ENERGY) AND BLOOD. CHINESE DOCTORS ARE NOW TRYING TO USE QIGONG (DEEP BREATHING EXERCISES), ACUPUNCTURE AND TRADITIONAL MEDICINAL HERBS TO CURE THE DISEASE. THE MAIN PRINCIPLE OF CURING A.I.D.S. BY QIGONG IS, BY WAY OF SELF PRACTICE AND SELF ADJUSTMENT, TO STRENGTHEN THE ORGANIC FUNCTIONS AND IMMUNITY SO AS TO SUPPORT THE VITAL ENERGY AND EXPEL THE EPIDEMIC VIRUS, SAID CUI JINCAI OF THE TIANJIN MEDICAL COLLEGE. PROF JIN SIYUAN OF THE SINOJAPANESE FRIENDSHIP HOSPITAL HAS FOUND THROUGH EXPERIMENTS 14 KINDS OF CHINESE TRADITIONAL HERBS WHICH ARE EFFECTIVE IN CHECKING THE HUMAN IMMUNODEFICIENCY VIRUS.

PFN INFORMATION: PART 001

RELATES: PINGBO WU IS A MEMBER OF INST OF TRADITIONAL CHINESE MEDICINE. JINCAI CUI IS A MEMBER OF TIANJIN MEDICAL COLLEGE.

PERSON: WU, PINGBO
