STAT

FROM:

[Redacted]

Deputy Director of Communications

STAT

SUBJECT:

Funding Support for Satellite Channels

[Redacted]

STAT

1. Attached is the document which we have prepared in response to a request from [Redacted] Director, Program and Budget Office, Intelligence Community Staff.

STAT

[Redacted] met with us several weeks ago to be briefed on the Air Force's funding request for their Defense Satellite Communications System (DSCS) III Solid State Amplifier program. At the time, he suggested this subject be surfaced as an "issue" before the National Foreign Intelligence Council. You concurred in this suggestion and asked that we route our reply through you. [Redacted]

STAT

STAT

2. It is our understanding that the DSCS III funding issue is on the agenda of the upcoming 15-16 June Executive Committee meeting.
