

From a Soviet source: Russia did not anticipate having serious trouble with the U.S. over a country as remote to both nations as Angola, where each is backing a different side in a civil war. In the Russian view, friction is being fomented by enemies of détente.

Senator Frank Church is so upset over a "leak" of information linking the late President Kennedy and a girl with Mafia connections that there's talk of giving lie-detector tests to some Senate Intelligence Committee staffers.

FOR THE VICE PRESIDENCY

Q Do the Republicans need someone on the ticket who can help hold the South?

- Yes 65%
