Hi ind team, $(b)(7)(c)$	
We're still working on our response. Is early Monday ok?	
Thanks, (b)(3)

My apologies for the confusion. I am indeed back to being the point person here. I thought you were out this week, so I wasn't going to bother you on leave with our back and forth. I'm coordinating with four offices now on their feedback so that I can get you a coordinated response by this afternoon. Will that timeline work?	
Thanks, (b)(3)	

PS – in case you or Anita need it, my direct line is (b)(3)
