11. On the one big problem will try to get back to work soon. Be about tomorrow evening with American secretary from office then dinner somewhere maybe. When can develop method learn "COMPASS" words by heart will use but presently have too little time with CHISEL. Understand your letters all right.

15. Re clock downtown for time synchronization. Access to downtown on day of week might turn out to be difficult, so suggest radio, which do not yet have, or TV which in JIG library room and which COMPASS listens to occasionally. Room available on closed JIG nights. Few JIG people use it, although it does happen.

17. General observation: Sketches will improve, as compass gets more experience with different places; local employees usually out of JIG at 2300 but sometimes are at movies on closed nights. Window idea still better than wall, but access to dining room while frequent, at almost every meal, controlled by waitresses--two locals who on alternate days, and social situation of joining people at meals. Local also sleeps in room in basement but will check that out. Think it is a maid cleaning woman who lives for years.
