DISPATCH NO. 1

CLASSIFICATION

TO :  
FROM :

DATE: 21 July 1950

SUBJECT: GENERAL - Operational *David Greenglass*  
SPECIFIC - Atom Spy Arrests and Switzerland

1. In the New York Times account of 13 July of the arrest of Julius ROSENBERG in New York, it is stated that after Klaus FUCHS and Harry GOLD were arrested, ROSENBERG warned David GREENGLASS to leave the U.S. According to the FBI, GREENGLASS was instructed to obtain a passport to Mexico. He was then told to make his way to Switzerland and report to the Czechoslovak "Embassy" there.

2. We should be most interested in knowing anything further which the FBI can at this time reveal concerning ROSENBERG's instructions to GREENGLASS to report to the Czech Legation here. Was any specific individual named? How was GREENGLASS to identify himself?
