SUBJECT: Request for Information

1. This office is very interested in obtaining the names and addresses of persons writing letters to the White House pertaining to the Rosenberg case which were originated from Sweden.

2. The FBI has orally informed us that the Rosenberg rail campaign material was funneled through their agency, but was not retained by them. The FBI informed us that their material was handled and retained by the White House detail of the Secret Service.

3. It would be appreciated if you could obtain from the Secret Service the names and addresses of the originators of any such material coming from Sweden.
