C. Polaroid copy of "picture 104 squared". (attached)

"104"NAVY

(a.) This is the first civilian request based on viewing of the Christmas 69 film. The specific frame is identified by reference C. (b) Services have requested that a form be prepared for Christmas 69 identifications and that comparisons of same film identities be cross indexed.

- (1) NOK identification form and pre-capture photo
- (2) Four additional precapture photos for retention by [REDACTED]
- (3) Copy of background info on COCHEO (PLEASE RETURN TO [REDACTED])

The analysts in this office feel that Cocheo is the subject of the capture photograph, although the quality of the capture photograph is extremely poor. The over-all head shape appears similar, as do the nose and eyebrows.
