**FULL TEXT OF ARTICLE:**

1. [Text] The Ecumenical Council of Cuba joins in with all international institutions and figures who have voiced their condemnation in repudiating the killing of Ignacio Ellacuria, rector of the Central American University based in El Salvador, Vice Rector Amando Lopez, four Jesuit priests, and two of their employees. In a statement released in Havana today, the Ecumenical Council of Cuba said that it is not difficult to see that the material authors of this terrible crime were instigated by the same people who killed Archbishop Monsignor Arnulfo Romero.

2. OAS Secretary General Joao Baena Soares will arrive in El Salvador tomorrow to attempt to establish a dialogue between the forces in conflict in the Central American nation. Baena Soares stated to the press in Washington that his peace mission was a mandate from the OAS General Assembly in light of the worsening of the war between the ultra-rightist Salvadoran Government and the Farabundo Marti National Liberation Front.
