

20 DEC 1977

Mr. Carleton M. Cooley  

Dear Mr. Cooley:

We have completed a search of all Agency files which might contain information concerning your son's fate in Southeast Asia and were unable to find any reference to Capt. David L. Cooley in our records. If the Department of Defense finds any relevant CIA records in its holdings, we will be in further communication with you.

Sincerely,

Gene F. Wilson  
Information and Privacy Coordinator
