SUBJECT: U.S. Traitors in Shanghai
TO : SAINT, JJ/001 and BH/006

1. BH/068 recalls a report of six or seven pages which mentioned U.S. and other traitors who remained in Shanghai in collaboration with the Japanese. ~~_____~~ one of these. Any information you have on this subject should be made available to this Theater.

2. BH/068 also remembers that the FBI files had considerably more information than X-2 on CHISHOLM and you may desire to check whatever group of names you assemble against the FBI files.

3. If you are able we would like to have carded information on any Americans and other foreign nationals of unsavory reputation probably collaborating with the Japanese in other major cities of China now under Japanese domination.
