From: SD

22nd December, 1944

1. GREEP 49: We have today despatched North one wooden box, marked "C.49/1", containing various Radio valves which are urgently required by 7420.

APPROVED FOR RELEASE
DATE: AUG 2004

2. GREEP 52: We have also despatched one small wooden box, marked "C.52/1", which please despatch to 7420 as soon as possible.

3. We have received your letter D.1947, of the 12th December, and note the position of GREEP material as on 10th December, 1944.

We have also received your telegram 647, of the 19th December, which gives the whereabouts of GREEP material on 17th December, 1944. We assume by the receipt of this telegram that you have now received our D.738, of the 8th December (para. 2), and confirm that we should be pleased to receive a repeat of the Gothenburg weekly telegram - as you suggest.
