6th December, 1944

1. ORREP 40:

We have today despatched North one wooden box, marked C.40/1, containing three films.

These films have been specially ordered by JULKEP for the King of Denmark, and we should be glad if you would forward them as soon as possible.

2. ORREP 41:

We have also despatched today three wooden boxes, marked C.41/1, C.41/2, C.41/3, containing W/T equipment and power packs.

This equipment is urgently required by TURNIP, so will you please forward it as soon as possible.

Please advise us as soon as this W/T equipment reaches you, so that we can advise TURNIP by W/T message that it is on its way.
