Following for 7404.

- A. Clubs struck reef yesterday on way forcing her back with damaged hull. This was telephoned to 7410 yesterday so you may know already. I was not advised until last night.
- B. 7410 told 7460's assistant to send out Swedish boat to fetch possible evacuees. This has been done with one of our men on board to direct job.
- C. Spades sailed last night with good load Creep material.
- D. Your telegram 0423 /para. A./ Will 7496 recognize both cover /names/, G. OLSEN and GOAL? If not please advise me which name to use for consigning Creep 33 and 34. I was not aware 7496 had chief.
