No. 799

(U) Superman Visits Headquarters

(U) [Redacted]
DCI/OFA, welcomes
Dean Cain to
Headquarters.

Actor Dean Cain (Superman in "Lois and Clark") and associate producer Joel Rodgers visited Headquarters on October 4 to research a proposed series on CIA50 Trailblazer Tony Mendez's book *Master of Disguise*. Producer Craig Pilligian ("Survivor"), head of False Flag Productions, is part of a group that has acquired the screen rights to Mendez's book and plans to produce and pitch to the networks a fall 2001 television dramatic series that would feature Cain as a combination of a DO ops officer and OTS tech ops officer. Pilligian has produced six hours of programming on the CIA (including "Inside the CIA") that have run on the Discovery Channel; another three hours are in production.

Cain and Rodgers met with DDO Jim Pavitt, DDS&T Joanne Isham, D/OTS, and tech staffers who showed them unclassified examples of concealment devices, secret writing, disguises, and other technical operations tradecraft tools. (This is UNCLASSIFIED.)
