Dear [REDACTED]

Enclosed are the two claim forms which we discussed yesterday. For your convenience, we have filled in some of the information but please review the forms carefully.

Form 3104 is to be submitted in claiming a survivor annuity for [REDACTED] and [REDACTED]. The form should be completed and signed by you and returned to me at the above address. Please note that a certified copy of the death certificate should accompany the form.

There are also enclosed three claim forms (FE-6) for payment of life insurance benefits. [REDACTED] and [REDACTED] should each complete one. Should you decide to file for [REDACTED] and [REDACTED] as guardian, you should complete the other form and forward it to me along with a certified copy of the court appointment naming you guardian. We will also need another copy of the death certificate to submit with the insurance claims.

Please be assured that the claims will be processed as quickly as possible following receipt of the required documentation. If you have any questions or feel we may be of some assistance, please do not hesitate to contact us.

Sincerely yours,

SIGNED
