MEMORANDUM FOR: ASSISTANT CHIEF OF STAFF, G-2
DEPARTMENT OF THE ARMY

SUBJECT: Information on the Soviet Conscription and
Reserve Systems

Tch A

1. It is requested that this office be furnished with materials
as follows regarding the topics listed in paragraph 2 below:

- a. Copies of any ID studies presently available.
- b. A list of the more substantial intelligence reports.
- c. A list of Soviet-published official and unofficial references concerning only the procedures cited.
- d. A list of pertinent individual, personal documents available in your office.

2. Topics of immediate interest are:

- a. List of age-classes called up and demobilized in each of the last fifteen years.
- b. Policies and procedures in the registration and normal call-up of conscription classes.
- c. Policies and procedures relating to exemptions and deferments.
- d. Policies and procedures in the administration of reserve personnel, especially as these affect the individual reservist.

3. A representative of this office will be glad to discuss with Mr. Roy Todd any difficulties which may arise, including excessive time and effort which this request may require or clarification of our needs.
