Office of the Commandant

6 November 1954

Dear Mr. Dulles:

I wish to thank you for the participation of the Central Intelligence Agency representatives in the series of conferences which were conducted here at the Army War College on 1 and 2 November to examine United States foreign policy with respect to specific areas of the world.

The conferences were very much worthwhile and contributed greatly to our knowledge in this important field. We are hopeful of conducting a similar series next year.

The success of the program was due in large measure to the contribution of your representatives. I am hopeful that you will express our appreciation to Messrs
Fred Albrecht,

We are most appreciative of your cooperation.

Sincerely,

(signed)
