The Honorable George J. Tenet  
Acting Director  
Central Intelligence Agency  
Washington, D.C. 20505

Dear Mr. Tenet:

This is a follow up to my March 17, 1997 letter, in which Senator Glenn and I designated a limited number of Committee staff to receive access to information requested from the Agency. I write to ask that you formally add Michael Madigan of my office to the list of designated staff. Mr. Madigan serves as my Chief Counsel and recently received both his top secret and SCI security clearances. He has been actively involved in the investigation since its inception. It is important that he has access to information made available by the Agency.

Please have your staff contact Harold Damelin at (202) 224-2000 if there are any questions. Thank you for your assistance.

Sincerely,

Fred Thompson  
Chairman

Mr. Harold Damelin  
Senior Counsel  
Special Investigation  
Committee on Governmental Affairs  
United States Senate  
Washington, D.C. 20510

Dear Mr. Damelin:

(C) This letter responds to Senator Thompson's letter of 21 July 1997, requesting the addition of Chief Counsel Mike Madigan to the list of designated staff authorized access to CIA information. Mr. Madigan's name will be added to the list, and a copy of this letter will be sent to the Office of Senate Security. I would note that the number of staff authorized access to CIA information has increased from six to nine since our original letter of approval on 28 March 1997. The purpose of the restricted staff access is to ensure the security of sensitive CIA operational information and, as we discussed this morning, we must immediately address the number of staff who have access to our material.

Sincerely,

John H. Moseman  
Director of Congressional Affairs
