FOIA REQUEST

Fee waiver requested
Expedited review requested

2006 OCT 33 PM 2:37

Dear FOI Officer:

Pursuant to the federal Freedom of Information Act, 5 U.S.C. § 552, I request access to and copies of CIA Inspector General's report, "CIA Accountability With Respect To The 9/11 Attacks".

Please waive any applicable fees. Release of the information is in the public interest because it will contribute significantly to public understanding of government operations and activities. It is in the public's best interest to understand what happened on 9/11 and whether or not the CIA is capable of handling terrorism issues. More importantly, those who were held to account in this report should be held to account by the American public and not remain in their current positions which ultimately keeps us a nation at risk.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I will also expect you to release all segregable portions of otherwise exempt material. I, of course, reserve the right to appeal your decision to withhold any information or to deny a waiver of fees.

Please provide expedited review because delayed disclosure could threaten life because CIA is still functioning with the same people who failed us on 9/11 leaving us at risk for future terror attacks. I certify that these statements regarding expedited review are true and correct to the best of my knowledge and belief.

I look forward to your reply within 20 business days, as the statute requires.

Thank you for your assistance.

Sincerely,
