Major Lowman ✓

Inasmuch as it is our intention to use the services of
James Van Meter and Alexander Barnine in this office, would
you be good enough to ask each of them to fill out the SA-1
form at their early convenience and return it to this office.
Regardless of previous checking by NIS, it will be necessary
to have these forms in our possession. The Security Officer
will then proceed to check the names through NIS and other
sources.
