Water Loering -

Colonel Lowman says in addition  
to his service: no

He showed Col. Lowman publicity  
material given him by the Army - Lowman  
said that he might have been dismissed  
from the Army for the same reason but that  
publicly is not so. Says a former Brig.  
in Russian Army is now a Private in U.S.  
Army. He also gets his final citizenship  
papers next week. Col. Lowman thinks we  
will be in a difficult position if we don't  
give him back that job.

Office of the Secretariat

... maybe he could be used here in  
... capacity.
