Dear Mr. Hoover:

Subject: Frank G. Wisner - Miscellaneous Information

Reference is made to your memorandum dated 28 November 1952, subject as above.

I have had this matter investigated. It is true that in 1944 Mr. Wisner, along with other OSS and Mediterranean Air Force officers, was billeted at the home of Mrs. Dimitri Bragadiru, known also as Princess Alexandra Caragea, Tanda Caragea, and Tanda Moevs. Much later, in 1948, this woman confessed to CIC in Vienna that she had worked for Rumanian Intelligence and had been a Communist informer for the prior two years in Rumania.

Our investigation discloses no association with Mr. Wisner since approximately 1945 nor any indication that he then had any knowledge of espionage activities on the part of Tanda Caragea.
