APPROVED FOR RELEASE DATE:
02-08-2011

Dear Coordinator:

Under the Freedom of Information Act, 5 U.S.C. subsection 552, I am requesting copies of all records on, about, or concerning foreign religious workers in Papua. Papua is the province of Indonesia which was previously named Irian Jaya. Limit responsive records to those created between January 1, 2001 and the date this request is processed.

Responsive records should include, but not be limited to, records on any known missionary agency or denomination working in Papua. Additionally, please include records where persons enter the country on non-religious visas, but have a motive of evangelism which is known to the CIA which may or may not be known to the Indonesian authorities.

This is a news media request, please charge fees according to the news media fee category. I authorize up to \$30 in fees.

If you deny all or any part of this request, please cite each specific exemption you think justifies your refusal to release the information and notify me of appeal procedures available under the law.

Records are preferred in electronic format. Email is preferred, CD is also acceptable. Paper is only requested in a case where doing so would reduce my fee.

Sincerely,
Jason Smathers
