Regulation Summary

(U) The purpose of this Memorandum of Understanding (MOU) is to ensure the full and seamless coordination and cooperation between CIA and FBI in both the overseas and domestic arenas. The section numbering within Provision II (U) Policy is recreated exactly as set forth in the 2005 MOU.

I. (U) Authorities

(U//AIUO) [Authorities are as stated in the regulation].

II. (U) Policy

(U) Purpose

(U) The purpose of this MOU is to ensure the full and seamless coordination and cooperation between CIA and FBI in both the overseas and domestic arenas.

I. (U) Definitions

-SECRET//CIA INTERNAL USE ONLY/NOFORN-

Approved for Release: 2015/04/30 C06235758

(U) The term <u>foreign intelligence</u>, as defined in Part 3.4(d) of Executive Order 12333, means information relating to the capabilities, intentions and activities of foreign powers, organizations, or persons, but not including counterintelligence except for information on international terrorist activities.

(U) The term <u>counterintelligence</u>, as defined in Part 3.4(a) of Executive Order 12333, means information gathered and activities conducted to protect against espionage, other intelligence activities, sabotage, or assassinations conducted for or on behalf of foreign powers, organizations or persons, or international terrorist activities (but not including personnel, physical, document or communications security programs).

(U) The term intelligence includes foreign intelligence and counterintelligence.

(U) The term <u>national intelligence</u> has the meaning set forth in the National Security Act of 1947, as amended.

(SHNF) The term <u>coordination</u> means the process of eliciting comments prior to undertaking a proposed action. As used here, the term means that no such action will be taken so long as the party with whom the action in question is raised has unresolved objections. The agency responsible for coordination will advise the other agency of the identity of the individual of interest, the nature of the agency's interest, and the means of collection or access envisioned. The agency whose coordination is required will respond to the initiating agency within five business days indicating whether there is a concern regarding the proposed action, and the nature of that concern. Coordination by the requesting agency must be documented and may occur at the field level.

(U) The term <u>notify</u> means the timely disclosure of an anticipated activity so that the entity notified may provide comments or input. When considerations allow, this should occur five working days ahead of the proposed activity.

(U) The term embassy means any diplomatic establishment.

(SHNF) FBI Contact with Foreign Intelligence, Security and Law Enforcement Services in the United States

(SHNF) CIA has overall responsibility for coordinating relationships with foreign intelligence and security services. The FBI has broad authorities to conduct law enforcement and intelligence activities in the United States. The FBI need not coordinate with the CIA before engaging in contact activities with foreign intelligence, security or law enforcement services in the United States. The FBI will, however, notify CIA when
