DTLINEN/CASK Report on Possible Penetration

1. In confirmation of the oral report recently made to the DTLINEN case officer, we are transmitting copies of subject report.

2. It is to be emphasized that the CASK organization does not vouch for this report in any manner and that it was passed to us both for the purpose of advising us of a possible security breach and for the purpose of enabling them to establish the reliability or unreliability of their source (his name has been inked in on the upper left hand corner of the report) and his sub-source. It will be appreciated, therefore, if GADRAIN were to advise us of their findings in this matter.

Dr. Richter

Berlin, den 9. Juni 1954, wa/hr.

Aktenvermerk für F.:

1) Von einem unserer V-Leute ist uns unter dem 9. April 1954 berichtet worden, daß in der KGB eine Panne passiert sei. Ein nicht anerkannter Flüchtling, Frau KARASCH, ist einige Zeit als Sekretärin in der KGB beschäftigt gewesen und kurz vor dem 9.4. in die Zone zurückgekehrt.

2) Derselbe V-Mann berichtet uns, daß er im Osten erfahren habe, daß eine amerikanische Dienststelle in Tempelhof (Airpolice?) ein sogenanntes "Institut für Sozialwissenschaften" unterhält. Dieses Institut versendet Briefe in die Zone, die durch ihren drohenden Charakter veranlassen sollen, mit diesem Institut in Verbindung zu treten.-
