Dear officer:

This is a request about the following topic in which I am currently working for our Telemundo Los Angeles Newscast.

I would like to obtain all documents containing information regarding: **Mr. Eduardo Diaz Silveti, Mexican citizen,** [redacted] Mr. Diaz claims to have worked for C.I.A. under the Mexican Government, from 1957 to 1963. Mr. Diaz also claims to have participated in an operation in December 18th, 1959. Supposedly, during this operation, Mr. Diaz stopped a soviet convoy on December 1959 in Mexico City and helped NASA scientists and CIA agents to have access to the technology material on that convoy for few hours. Time enough, says Mr. Diaz, to steal information and details from a rocket and from the Lunik 9.

Other persons involved in this operation could be: Warren Dean (possible CIA agent), Winston Scott, and Robert Zambbernardini M. Luchi. I also request any information or documents probing that these persons in fact worked for the CIA, and any information or document regarding this operation in Mexico.

Currently, Mr. Diaz Silveti lives in [redacted]

Please, let me know if we need to cover any fees in order to obtain any documents regarding Mr. Diaz Silveti. We are willing to pay up to a maximum of \$500. If you estimate that the fees will exceed that amount, please inform us first.

Thank you for your consideration on my request.
Sincerely,

Maria Garcia
