Dear Coordinator,

I'd like to make a Freedom of Information Act request for all documents related to Google, the Internet search engine based in Mountain View, Calif. The period of my request is from Jan. 1, 2003 to the present.

The search should include – but not be limited to – documents and correspondence (by e-mail and my postal service) related to Google as a vendor or adviser to the CIA. I'm also interested in any documents describing the CIA's use or contemplated use of Google products, such as translation, satellite images and mapping.

I'm willing to pay all necessary processing fees. However, I may be eligible for a waiver for some or all of the costs based on my job as a journalist.

If you have any questions, please contact me.

Thank You

Verne Kopytoff
