(b)(6)

If any and/or parts of my request are denied, please list the specific exemption(s) which are being claimed for the withholding of the information.

If you determine that some portions of this requested material are exempt, please provide me, as per State and Federal Statutes, with the remaining non-exempt portions. I, of course, reserve the right to appeal any decision relating to the withholding of any requested material and/or information. Additionally, I am requesting that you provide me with the necessary information as to the Office where such an appeal can be filed.

As your agency is aware, the amended F.O.I.A. requires you to reduce and/or waive searching and or copying fees when the release of the required information would be in the Public Interest. It is my belief that said information which I am seeking fits this category and, therefore, as that you waive such fees. If this request is processed through the privacy Act however, I expect, as the Act provides, that no fees will be charged for locating the requested files.

If there are any further questions regarding this request, please contact me at the above address.
