Dear Mr. Keefe:

This is a final response to your 6 September 2011 Freedom of Information Act request, received in the office of the Information and Privacy Coordinator on 7 September 2011, for **all documents related in whole or in part to direct or indirect contacts between the Central Intelligence Agency and the West German rock and roll band The Scorpions, between 1985 and 1992.**

Please note, the mission of the Central Intelligence Agency is primarily concerned with foreign intelligence. The information you request, insofar as we can discern, has nothing to do with the primary mission of this Agency, and, therefore, we must decline to process your request.

Sincerely,

A handwritten signature in black ink, appearing to read "Susan Viscuso".
