I'd like to make a Freedom of Information Act Request for the following:

- Any agreements or contracts between the CIA and Google or Apple from Jan. 1, 2009 to the present.
- Correspondence and other documents related to any deals with Google and Apple for the same time period. For example, the agency would likely discuss the parameters of an agreement internally and with the companies before and after any deal is signed.

DEC 21 2011

I'm willing to pay all necessary processing fees, though I may be eligible for a waiver for some of the costs because of my job as a freelance journalist. I have previously worked for the New York Times and the San Francisco Chronicle.

Thank you.
