

Central Intelligence Agency

Washington, D.C. 20505

21 August 2014

Mr. Steven Hsieh

(b)(6)

Reference: F-2014-01951

Dear Mr. Hsieh:

This is a final response to your undated Freedom of Information Act (FOIA) request, postmarked 30 June 2014, received in the office of the Information and Privacy Coordinator on 8 July 2014, for *records pertaining to a study by researchers at Facebook, Inc., the University of California, and Cornell University titled, "Experimental Evidence of Massive-Scale Emotional Contagion Through Social Networks" and published in "Proceedings of the National Academy of Sciences," Vol. III, No. 24.*

Please note, the mission of the Central Intelligence Agency is primarily concerned with foreign intelligence. The information you request, insofar as we can discern, has nothing to do with the primary mission of this Agency, and, therefore, we regret that we are unable to assist you.

Sincerely,

A handwritten signature in black ink, reading "Michele Meeks".

Michele Meeks
Information and Privacy Coordinator
