Request:

The CIA and other intelligence agencies have recently produced a white paper or memo on the implications to U.S. national security of a Trump presidential administration. I am seeking a copy of this report.

I also wish to receive any similar report done on the implications of a Clinton presidential administration.

Fee Waiver:

As I am making this request on behalf of the AP for use in reporting the news, no fees may be assessed for searching or reviewing documents sought by this request, and no duplication fees should be charged to the AP for the first 100 pages of material (see 5 U.S.C. § 552(a)(4)(A)(ii)(II)). AP hereby consents to pay duplication charges up to a total not to exceed \$250. Please notify me in advance before incurring any duplication charges in excess of this amount.

As you know, the Act permits you to reduce or waive the fees when the release of the information is considered as "primarily benefiting the public." I believe that this request fits that category and I therefore ask that you waive any fees.
