Re: Freedom of Information Act Request

Dear Coordinator:

Under the freedom of Information Act, 5 U.S.C. subsection 552, I am requesting access to the agency's DCI General **Walter B. Smith's Weekly Friday Black Book Briefing for 19 December 1952 to President Truman on the subject of "flying saucers"** and any related document to this briefing as referenced in the agency's declassified DCI Deputies' Meeting Log DM-68 for Friday, 12 December 1952 that was released by the Historical Collections Division HR 70-14 dated 2 May 2012. In this document it states in paragraph (b.) that "this subject was to be discussed and recommended the Director delay reporting to the President on flying saucers until 19 December. The DCI approved."

If there are any fees for searching for or copying the records, please let me know before you begin work on my request.

If you deny all or part of this request, please cite each exemption you think justifies your refusal to release the information and notify me of the appeal procedures available to me under the law.

Sincerely,

Timothy S. Cooper
