Dear Ms. Johnson:

This is a final response to your 23 July 2019 Freedom of Information Act request, received in the office of the Information and Privacy Coordinator on 24 July 2019, for **records on any and all information pertaining to, or including information about, the organized criminal phenomenon of gangstalking, organized stalking or group stalking, which is defined as stalking by three or more persons.**

As written, your request does not provide much clarity or content related to this topic. Therefore, it is not reasonably described in a manner that would allow us to conduct a proper search or suggest any recommendation. However, we interpret this topic to be within the United States. Therefore, we believe your request as written would more likely fall under the auspices of the Federal Bureau of Investigation. You can submit your request to them at www.foia.gov. There is no central office in the government that processes requests for all federal agencies. Each agency responds to requests for its own records.

If you have questions regarding our response, you may seek assistance from CIA's FOIA Public Liaison. You may reach the FOIA Public Liaison at:

703-613-1287 (FOIA Hotline)

Sincerely,
