Subject: Wraps no longer offered in sandwich line
Feedback: Good morning - I just wanted to write and request that wraps be re-introduced in the sandwich line. When the second side of the cafeteria re-opened a few weeks ago, wraps and mozzarella cheese are no longer regular items in the sandwich line. When I complain to the staff there, they indicated that they receive upwards of 10 requests a day for wrapped sandwiches and they do not know why they are no longer an option. Please bring them back!!!
