Subject: [Redacted] cafe (b)(3)
 Feedback: yet again I have purchased fresh fruit in the [Redacted] cafeteria and had to spit some of it out. (b)(3)
 When they cut up the honeydew and cantalope, they don't cut the rind off. On the honeydew you can't see it, on the cantalope you can see the green still there. It tastes horrible, you end up spitting it out and oh, you paid by the oz. Also the poor check out girl has a huge line and works as fast as she can, but there needs to be two people. I feel sorry for the people that work here, and the food is sorry. We came from [Redacted] where we had a small cafeteria and the grill and food was great. This is a (b)(3)
 disappointment. Get some more help and fix the quality.
