What do you all think? Edits and additions please!

4 June

- 1. First tweet will be redacted

Could follow by a RT of famous Onion article: CIA Realizes It's Been Using Black Highlighters All These Years (optional - old but funny, too old?)

- 2. same first Tweet un-redacted

Possible Redacted Tweets:

We are the nation's first line of defense. We accomplish what others cannot accomplish and go where others cannot go.

Argo f**k yourself

CIA on Twitter: the best bad idea we have. By far.

- 3. CIA collects, evaluates, and disseminates foreign intel needed to help the president and policymakers make national security decisions

- 4. #histint

This will be the intro of the "this week in intel" weekly feature. James is making up a graphic to brand it.

The first one will be CIA joins Twitter

5. CIA was established on 18 September 1947, with the National Security Act of 1947. Do you know what else it established?
