Mr. Jason Leopold

Reference: F-2014-00553

Dear Mr. Leopold:

This is a final response to your 26 December 2013 Freedom of Information Act (FOIA) request, received in the office of the Information and Privacy Coordinator on 6 January 2014, for **any records constituting, discussing, or mentioning the Central Intelligence Agency's (CIA) internal study of its detention and interrogation program.**

We cannot accept your FOIA request in its current form because it would require the Agency to perform an unreasonably burdensome search. The FOIA requires requesters to "reasonably describe" the information they seek so that professional employees familiar with the subject matter can locate responsive information with a reasonable amount of effort. Commonly this equates to a requirement that the documents must be locatable through the indexing of our various systems. Extremely broad or vague requests or requests requiring research do not satisfy this requirement. Therefore, we must decline to process such requests.

Sincerely,

A handwritten signature in black ink, appearing to read "Michele Meeks".

Michele Meeks  
Information and Privacy Coordinator
