MEMORANDUM FOR: Chief, NE Division

SUBJECT: Gerhard Mertins' Letter to DCI

John:

As you can see, I received this from the Director. I read it through last night and it seems obvious to me that your Division should handle it--to the extent it needs handling in this building at all. I assume you already know something about the people and events, and your translator in residence, [redacted] can clarify the German mysteries.

(b)(3)

The only thing which is perhaps urgent, if it has not come to your attention before, are the references to the attempts made [redacted] to get in touch with the DDCI.

(b)(3)

Please let me know if you think the Director need be informed of any aspects of this.
