## HITLER HIDEOUT IN ARGENTINA

The following information, which concerns a possible hiding place for HITLER in Argentina, has been passed on to us by a source, the reliability of which is unknown to us at this time.

One Mrs. EICHHORN, reported to be a reputable member of Argentine society and the proprietor of the largest spa hotel in La Falda, Argentina, recently made the following observations:

- a. that even before the Nazi Party was founded she made available to GOEBBELS her entire bank account which, at the time, amounted approximately to thirty thousand marks, which money was to be used for propaganda purposes;
- b. that she and her family have been enthusiastic supporters of Adolf HITLER since the Nazi Party was founded;
- c. that this voluntary support of the Nazi Party was never forgotten by HITLER and that during the years after he came into power her friendship with HITLER became so close that she and members of her family lived with HITLER in the same hotel on the occasion of their annual visit to Germany;
- d. that if HITLER should at any time get into difficulty wherein it was necessary for him to find a safe retreat, he would find such safe retreat at her hotel (La Falda) where they had already made the necessary preparations.
