T. SASHA THRU IVAN
FRANKENSTEIN - HÖTTL - PONGER 5 APR 53

ANG. had a conversation w/ PP3 on 31 March during which he alleged that PP3 was in contact w/ Dr. Anton BÖHM. ANG claimed to have been informed by Dr. HCSF, chief state police Salzburg, that a number of ANE's reports - according to an information from PAMMER, Vienna - had appeared also in Vienna, Munich and Bonn; from a source that ANG did not disclose he further claimed knowledge that intelligence had arrived with the "HINZE (OR HEINZ) GROUP" bearing the source description of "Ministerium" b) "OSS - Salzburg" c) "TONI-SALZBURG". He further claimed that BÖHM was collaborating w/ Dr. HÖTTL's (Celt Ansee) group to which also Louis EDER, MAST and BOHLSCHWING belonged. BÖHM also worked for CIC Gmunden, GEHLEN and for Bonn, and was affiliated w/ Dr. LACKNER (Salz. Police). BOHLSCHWING worked directly for OSS and the State Secretariat at Washington. HÖTTL was presently under arrest by CIC for his relations with PONGER.

- 2) FEICHT had conversations w/ PP3 informing him on his last meets w/ Frankenstein (over name - identity still unknown)

395-001-015/13

(2)

Frankenstein had asked him to get copies of reports submitted by Theodor ALBERT to ANG. He would pay ANG through FEICH, \$500 monthly. These ANG reports also named Dr. PÖHM. ALBERT worked for the HANKE or HEINZ group which was headed in Munich by Colonel SCHACK. Further members in Austria were Louis EDER of Linz and Dr. HÖTTL. Frankenstein alleged that PAMMER had recently refused acceptance of ANG's reports because he received the same in greater detail from EDER (possibly through his state police).

3) ANG informed FEICH on 30 March that he had been visited by ALBERT, "who now paid again". HÖTTL had been arrested by CIC. BILSCHWINE headed a CIC group in Gmunden, which HÖTTL had not known. HÖTTL had been in contact w/ BOLSCH, to whom he had submitted reports from PÖNGER, when PÖNGER was wanted. Letters from HÖTTL were found.

4) Frankenstein who declared that he worked in GELLEN, the coming man in Geneva IS, tried to impress FEI. by giving him a letter signed by ALBERT and addressed to HELMER (asking for info re certain

(16 mail)

(3)

"Mayer of Regensburg" This letter should be sent to HELMER through Dr. HOSP. Frankenstein declared "You see how GEHL has penetrated all, even HÖLGER does what he wants".

- 5) During a meet Frank. FEICH. on 30 March Frank declared: German postwar is started between SCHWERIN and BIS, later BLANK and GEHLER competed, G now absorbs BLANCK.

Frank had already on a previous meet mentioned BOLSCH, he now came out "B is sick, he will soon disappear".

Frank wanted connection with Aust. border personnel, but first a name list which FEICH. will ask from HOSP.

- 6) I order PP3 to follow FEICH's meets w/ Frank. closely and have Frank shadowed and possibly identified by a trustworthy man from police.
